

160th Memorial Brick Project

The 160th Special Operations Aviation Regiment (A) has been serving our Nation and providing Special Operations Aviation support for over 35 years, and the Night Stalker Association has been providing support to the Soldiers and Families of the 160th for over 30 years.

The Night Stalker Association is dedicating this Memorial Brick Project to all of the men and women that have served as Night Stalkers and who have sacrificed to allow us to have the freedoms that we enjoy. As the 160th SOAR's work of defending our country is ongoing, this Memorial will serve as a way to recognize not only those Night Stalkers that have served before, those who are currently serving and those who will be serving in the Regiment in the years to come.

This Memorial Brick Project is a way to honor the service of each Night Stalker Soldier, GS Civilian or Contractor in the 160th on an individual Brick. The Bricks can be requested by friends, family or by the individuals themselves. You can engrave your Brick with up to three lines of text and you may also include one of the six optional clip art designs.

The NSA is responsible for the maintenance of the 160th Memorial. The NSA Board will review and validate all requests and be responsible for installing the Bricks. The first installment will be completed in time for the WONSA Memorial Ceremony the week of 29 May 2018. After that, the NSA Board will install Bricks at intervals of approximately every 6 months. Income generated by this Memorial Brick Project will be used by the NSA to support the Night Stalker community to include funding of the NSA Scholarships and other special projects.

You may also order a smaller keepsake tile to remind you of your memorial Brick.
